

C G C F
Long road, dark night, nothing but headlights

F C Am G
But I'll see some bright lights when I get home to you

C F C G
Framed in your doorway with your arms open wide

C Am F G
I'll hold you in my arms, enfold you inside

F G
And I want to tell you

C G
Come rain or come shine

C F
That I'll always be your love

G C
If you'll always be mine

C F Am G
Sometimes I wonder what you see in me

C Am F G
Is it someone you're wishing or hoping I'll be?

C Am F G
Sometimes I wonder, I can't help myself:

C Am F G
Will your love go someplace, with somebody else?

**** CHORUS ****

C F C G
Sometimes you wonder what I see in you

C Am F G
Just picture the sun on an ocean of blue

C F C G
Picture that ocean so deep and so wide

C Am F G
Feel the sun on the water, and the pull of the tide
